The Board has considered the impact of a repurchase of up to 5% (five percent) of the Company's shares, being within the maximum permissible under a general authority in terms of the JSE Listings Requirements. Should the opportunity arise and should the directors deem it in all respects to be advantageous to the Company to repurchase such shares, it is deemed appropriate that the Company or a subsidiary be authorised to repurchase the Company's shares. Any shares that may be repurchased for the time being shall be in connection with awards made in the normal course in respect of the Company's Forfeitable Share Plan.
